If you want to explain any of your answers, or if there is anything else you want the school to know, please tell us here.

- My daughters love going to school, the first moment! The teachers are always nice and friendly. The children pay attention to each other, my daughters, for example, make friends with both young and old. They like school programs, because the teachers ask for their opinion on everything, and involve them in the tasks. I don't think there is another primary school like Holy Trinity in Burton! I am proud that my daughters go here and I know that they give the children every opportunity and help!
- Jane is great to speak to and will always speak to my child about any concerns or issues.
- My only concern would be the lack of parking, (safe parking), around the school!
- For us as parents for xxx, who has been in this school for half year, we can say that we are very satisfied with how my child is treated and with organisation of this school. The difference between the old and the current school is enormous, this makes us happy that we chose this school.
- My son is always happy when coming back home from school. Always telling me what he learned and how his day was. Thank you for your support and care of him and to help him develop well.
- The school have been supportive of when we have needed additional support for the children.
- My child has never experienced bullying but I can imagine the school would not tolerate it nor racism, homophobic name calling. My son and I love the school it supports my son whenever and however he needs.
- Very happy and satisfied...Thanks for teaching our kids god bless you all.
- During my daughter's illness, the school helped both us and her by teaching and exercising specifically tailored to her condition. We are very grateful for the help received.
- The school offers a really good choice of clubs, activities for the children. The extracurricular activities are also a bonus, music lessons, school trips etc.
- After every day, my son comes with emotions and good memories, he has many friends with who he spends time outside the nursery. I am proud of your work and that my son is in your nursery.
