

Year 1 Curriculum NEWSLETTER

INSIDE THIS
“The more that you read,
the more things you will
know. The more that you
learn, the more places
you’ll go.”
– Dr. Seuss

Class teacher's Message

Welcome to this half-term
in year

Teachers and adults
working with the children
are Miss Bowley and Mrs
Parker.

English Learning

In Year 1, the children will be learning about The Tiger Who Came to Tea. We will be exploring instruction writing and letter writing.

We will also be reading What the Ladybird heard at the seaside and using this story to inspire our own story writing.

Maths Learning

The children will be starting to look at multiplication and division. We will also be looking at a small unit on fractions and then moving on to exploring position and directions. Our final topics will cover time and money.

Key Days

Spelling test

- Fridays

PE Day/s

- Wednesday
- Thursday

It's important to fail in our learning!

FAIL

F First

A Attempt

I In

L Learning

Science Learning

In Science, we are learning all about animals, exploring the differences between mammals, amphibians, reptiles, fish and birds. We will be learning how to classify them and to care for them.

Topic Learning

In History we will be learning all about our toys of the past and how children spent their childhood and how this differs from toys today.

In Geography we will be learning about the human and physical features in our world.

Key Rocket Words

Rocket Words	
fish	an animal that lives in water and has fins for swimming and gills for breathing
amphibian	a cold-blooded animal that spends some time on land and in water
reptile	a cold-blooded animal that usually has the skin covered with scales or bony plates
mammal	a warm-blooded animal with a skeleton inside its body that grows hair or fur on this skin; mammal mothers produce milk to feed their babies
bird	an animal with a backbone that has feathers, wings and a beak
warm-blooded	having a warm body temperature that does not change with the temperature of the air
cold-blooded	having a body temperature that changes depending on the temperature of the air or water
herbivore	an animal that only eats plants

Reminders

Remember to read to get your rainbow read badges. Please add your reads to your pages on Class Dojo and we will add the points in class.
