

# Class 1 & 2 FS1 & FS2 Little leaders

## Personal, social and emotional development

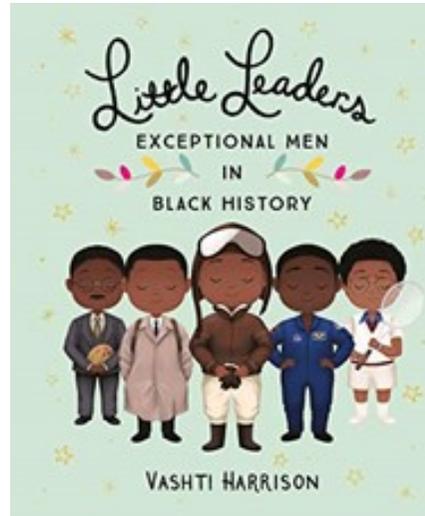

We will be ensuring children are settled back into school life. We will be working on forming new friendships this half term and building on existing friendships. Taking turns with others and sharing resources. As well as embedding our golden rules for behaviour.

### MAKE NEW FRIENDS

## Physical development

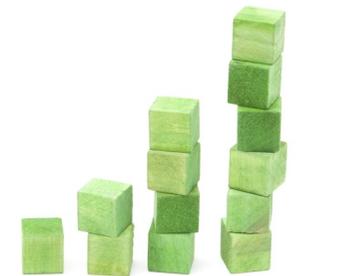

Our PE day this half term for FS2 is **Thursday** please come in full PE kit and the children will stay in their kit all day. FS1 children don't need a PE kit at this time.

## Literacy—reading and writing

This half term in both FS1 and FS2 we will be thinking about what has happened around the world this year. We will be using the books Little Leaders which are about the exceptional black men and women throughout history to support our learning and we will also be thinking about who is exceptional in our own lives and during the COVID-19 pandemic. We are living through history and we want to use books and stories to support all our EYFS children in understanding the importance of recent events in their lives.

Mathematics We will be working with numbers to 5 in FS1 and to 10 in FS2. matching numbers to quantity and finding one more and one less than a give number as well as comparing quantities of different groups of objects.

We will be learning to throw and kick a large ball and move with control and coordination.

We will also use our outdoor area on a daily basis to work on our climbing, balancing, negotiating space and ball skills.

## Expressive arts and design

In expressive arts and design this half term we will be learning about different colours and what happens when we mix colours together. We will be expressing our mood through paintings and drawings.

## Understanding the world

This half term the children will be learning about the world around them and be able to name some of the local plants, flowers and wildlife that are familiar to them. We will be thinking about how important the natural world is in affecting our feelings and emotions.

**Music** We will begin to learn to tap a rhythm to different styles of music and use the percussion instruments to keep to a simple beat. We will have singing sessions on a Friday to practise songs about harvest.

In **Religious Education** we will learn all about the vicar Freddie Fisher and his role in the church. We will learn why harvest is an important time of year for Christians and how we can help to support others and share food with them at this special time of year.

## Communication & Language

We will be working on our listening and attention skills this half term, taking turns in conversation and trying to remember what others have said.
