YMCA food/household product parcels

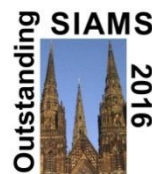

We collected food for the YMCA in Burton for our Harvest celebrations. I thought it would be an ideal opportunity for us to help the local community again over Christmas and collect non-perishable food items, house hold goods, toiletries and sanitary ware. If you have anything to spare, please bring them into school to quarantine and add them to the box in each classroom from next week? Thank you all

Please remember that any photos/videos taken in school (where more than your child is visible) are for personal use only and not for use on any social networking sites. We kindly remind you this for the safety and interest of all our children in school.

Changes in contact details

Please make sure you update all of your phone numbers, emergency details and work information if and when they change to help us keep our details up to date and correct, should we need to contact you about your child during the day. Please also update the ParentMail app when details are updated to allow the changes to be uploaded.

Information on newsletters

The dates on the newsletters are about 4/6 months in advance of events happening. Please make a note of them and the information contained in the main body of the letter in your diaries or pop the newsletter on the fridge so you don't miss anything. Unfortunately, we do have some events that happen at very short notice. We will always do our best to let you know of these events, visits, visitors in school, walks etc. as soon as we do 😊 Thank you

Contacting school

As I have written above please do come to speak to your child's class teacher if you have any queries, worries or concerns; either catch them on the gate or phone the office to see if you can speak to them. If you are unable to make it to school, please write a note or ring school on 01283 247550. Please do not email any worries/concerns/correspondence – we do not always receive them! Between Mrs Buxton and me, we receive between 300-500 emails each day with many going into our Junk or Clutter folders. These folders are automatically emptied each evening on our computers; emails will therefore not be responded to. Thank you all.

For any COVID related issues out of hours please email
