

Class 1 & 2 FS1 & FS2

All about me

Personal, social and emotional development

We will be ensuring children are settled back into school life. We will be working on forming new friendships this half term and building on existing friendships. Taking turns with others and sharing resources. As well as sharing our vision and school values.

A Landscape at Sunset

A Shipwreck in Stormy Seas

Physical development

Our PE day this half term for FS1 & FS2 is **Wednesday** please come in full PE kit and the children will stay in their kit all day.

Literacy—reading and writing

This half term in both FS1 and FS2 we will be using the painting 'A shipwreck on stormy seas' as a stimulus to support discussions.

We will be focussing on Phase 1 phonics in both FS1 and FS2—ensuring that children can hear and differentiate between sounds. FS2 children will also begin to learn sounds to match the letters of the alphabet and practise blending to read with these sounds. e.g. c-a-t cat.

We will be writing the sounds we have learnt and writing our names.

Mathematics We will be working with numbers to 5 in FS2, matching numbers to quantity and finding one more and one less than a give number as well as comparing quantities of different groups of objects. In FS1 we will be singing number songs and developing our number sense.

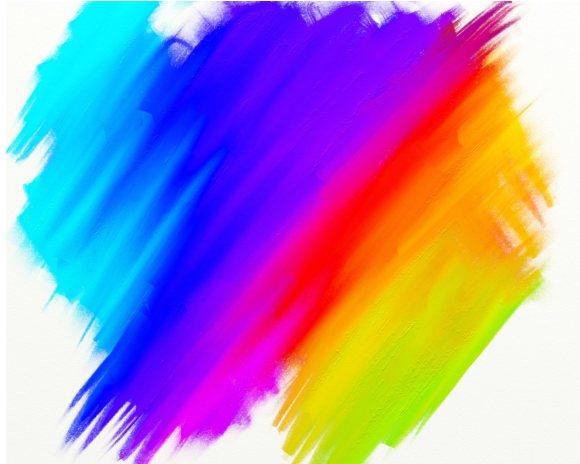

We will be learning to throw and kick a large ball and move with control and coordination.

We will also use our outdoor area on a daily basis to work on our climbing, balancing, negotiating space and ball skills.

Expressive arts and design

In expressive arts and design this half term we will be learning about different colours and what happens when we mix colours together. We will be expressing our mood through paintings and drawings.

Understanding the world

This half term the children will be learning about themselves—naming body parts, emotions and describing their daily life. We will also look at the world around us and begin to be able to name some of the local plants, flowers and wildlife we can see.

Music Our theme for our music sessions this half term is 'me'. We will be learning and performing action rhymes and number songs. Using nursery rhymes and songs we should be familiar with. We will be learning harvest songs during our whole school singing practices.

In Religious Education we will learn all about the vicar Freddie Fisher and his role in the church. We will learn why harvest is an important time of year for Christians and how we can help to support others and share food with them at this special time of year.

Communication & Language

We will be working on our listening and attention skills this half term, taking turns in conversation and trying to remember what others have said.
